

In the Specification:

*Please amend the paragraph beginning at page 1, line 7, to read as follows:*

The present application is a continuation-in-part and division of a co-pending, commonly assigned U.S. patent application entitled “Monochromatic Fluid Treatment Systems,” which was assigned Serial No. 09/805,610 and was filed on March 13, 2001, the entire contents of which are incorporated herein by reference.
